

# Be part of the future of education with King's InterHigh

---

Established in 2005, King's InterHigh is the largest British international online school with a global reach of more than 6,000 students worldwide.

We are passionate about empowering students to succeed, our expert international educators deliver live, online teaching to students aged 7 – 18.

Alongside internationally recognised accredited IGCSE and A Level programmes, we also offer the world's first fully online IB Diploma Programme.

Our International Business Development team works in synergy with agents like you to bring world-class online education to students across the globe.

## King's InterHigh — key features for students:

- Access to live interactive lessons and all lesson recordings
- Qualified, experienced subject specialist teachers who guide each student to succeed
- Pastoral tutors who support students every step of the way
- Detailed feedback from teachers
- through live sessions, marked assignments and homework
- Closely monitored learning and cycle testing to ensure students achieve their full potential
- Free university counselling and application support
- Free extra-curricular activities

Taught and supported by qualified subject-specialist teachers, King's InterHigh students achieve outstanding academic results and receive offers from top universities worldwide.

## University success

Last year's students went on to universities around the world including:

University of Oxford
University of British Columbia
University of Exeter
University of Melbourne
University of Manhattan
University of Berlin

## Global reach

Serving a global student community, King's InterHigh offers live classes in three different time zones: UK, Middle East (GMT+4), and South East Asia (GMT+7). No matter where they are in the world, students can access our online British international education.

## Succeeding together — key features for agents:

We equip you with everything you need to succeed in recruiting students to our online education programmes. When you work with King's InterHigh, you will receive:

- Product training and on-boarding
- Dedicated contact at King's InterHigh
- Same-day response promise
- Termly feedback and review meetings
- Termly newsletter
- Webinars and support workshops
- In-person events and meet-ups
- Competitive incentive scheme

Most importantly, we remain available and accessible at all times with structured, responsive, personalised, and friendly support to succeed in student recruitment.

“

It's a pleasure to work with King's InterHigh! The team is always ready to help with the specific needs and interests of our students. Our students really appreciate the quality of the teaching, the flexibility of their timetable and the accessibility of learning, which have helped them develop into independent young adults.”

**Raluca Niculae**

Secondary Education Manager,  
IntegralEdu.

“

“We appreciate working with King's InterHigh as it provides a comprehensive, turn-key solution that meets the needs of our students. The organisation is exemplary, and the level of support is unparalleled.”

**Kuanish Berdimuratov**

Director, Business Development  
Global Partnerships, Education  
Standard.

“

“King's InterHigh is the best school we've ever worked with. We have formed a strong partnership to help Vietnamese students access high quality international education. The team is professional and supportive, and dedicated to enabling students achieve their individual goals. We are honoured being part of this great team.”

**Thu Phuong Nguyen**

Founder of New Horizon  
Vietnam.

“

Our students love the variety of subjects on offer at King's InterHigh and the expertise and support of the teachers. This truly is an authentic British education that's affordable! School support is always there, whether that's help with the admissions process or to meet with individual clients for in-depth consultations. We deeply appreciate the flexibility, fairness, responsiveness and openness in our co-operation.”

**Tamara Necheporuk**

Head of Partnerships, Educate  
Online.
